## Personal Information

I am a recent graduate of a Bachelor of Information Technology from Otago Polytechnic. I have experience working in professional I.T. environments but mostly in operations roles and I would like to pivot to a developer position. I enjoy learning new technologies and being a part of an effective team.

## Experience

### **I.T. SUPPORT OFFICER | FARRA ENGINEERING LTD | OCT 2018 – CURRENT**

Sole provider of part-time in-house I.T. Support.

- Day-to-day I.T. responsibilities
- Maintaining and upgrading servers and computers
- Communicating with external providers

### **I.T. TECHNICIAN | REMARKIT SOLUTIONS LTD | NOV 2017 – FEB 2019**

Working as an I.T. technician providing support and deploying hardware.

- Managing I.T. deployments
- Providing troubleshooting and technical support to clients
- Large scale, company-wide device installation

## Education

### **BACHELOR OF INFORMATION TECHNOLOGY | OTAGO POLYTECHNIC | JUNE 2020**

### **CERTIFICATE OF INFORMATION TECHNOLOGY L4 | OTAGO POLYTECHNIC | JUNE 2017**

## Skills & Qualifications

- Service IQ Customer Service Award
- Certified in Comprehensive First Aid
- Current Driver License
